## PRESIDENT'S REPORT

Welcome back everyone to Frank Drago for our season opener today against Sorrento.

We are looking forward to putting all the hours of hard work from pre-season together and put it on to the pitch today.

After starting back in the end of November, it has been a long period in which the boys have worked hard on and off the pitch to be ready for the season and for that I thank them all for the continued efforts. On a separate note we have also had five lads get minutes with the first team during pre-season as well as others involved in training which is a true testament to the boys and the pathway the club has provided.

Thank you to Ori, Rocco and all the volunteers that have worked tirelessly to make it a smooth pre-season for the club, the constant hours you guys put in is truly appreciated by us all. Good luck to Gareth, Garry, Willie and Paul for their opening games.

## UNDER 18s REPORT

A warm welcome to everyone today at Bayswater City Soccer Club and to today's opponents Sorrento SC

I would like to thank the club for their support and wish all our teams the very best for the 2023 season

We started a trial process in November 2022 and we have assembled a whole new squad with a total of 6 players moving up from our Under 16s from last year

I would like to welcome the new players and their families to the club.

My expectations is that each player is committed to be the best they can be and that they attend training at all times and that they are punctual to both training and match days

Paul Lincoln and I have been successful with our tenure together and we know if we are to achieve anything this year we will need 100% commitment and a lot of hard work from each player

I wish all the players all the best for the coming season

I would also like to wish Gareth and Kevin and their respective players all the best for the season
