FIRST TEAM REPORT

Good afternoon to the players, supporters and officials of Perth Redstar.

Welcome to Callum Salmon who I know very well from our days of Bayswater U18 v Perth Glory where we shared a number of highly entertaining games. I am sure this afternoon will be no different. Redstar have been the benchmark during the last couple of years and were the victors in our recent night series final. They will be an extremely tough opponent but hopefully it will be an entertaining game for all concerned.

During the last few weeks we have played Kingsway, Stirling and Fremantle. We have not reached the form and style of play that I am anticipating however we secured two very good results against Kingsway and Stirling. Two teams who I suspect will be challenging for honours at the end of the season. Last week against Fremantle was disappointing. we conceded a goal at the end of each half and had opportunities but could not find the finishing touch. We will do all we can to put that right this afternoon.

I hope you all enjoy the match and cheers us to 3 points this afternoon.

UNDER 20s REPORT

A warm welcome to all supporters and to the Perth RedStar coaching staff to Frank Drago for what I am sure will be a great afternoon of football.

We go into this afternoon's game off the back of a poor result and performance against Fremantle City which resulted in a 2- 0 Nil Loss.

Our challenge this week is to ensure we have a positive reaction to last week's result, and I must commend the playing group who are working very hard on the training ground to understand the system of play and tactical changes required weekly from game to game.

Our challenge this week is to ensure we have a positive reaction to last week's result, and we fight for the 3 points on offer today as I believe we up against one the strongest teams in the competition today in Perth Red Star

Key to our aims for the season ahead is making Frank Drago a fortress and a tough place for teams to come and play football with the ultimate aim of Bayswater securing 3 points

I am sure today's game will be a competitive and enjoyable game between 2 good sides for all those in attendance.

Best of Luck to both the 18s and first team coaching staff for there respective games.

Many thanks!

JOHN KEARNEY

UNDER 18s REPORT

A warm welcome to everyone today and to today's opponents Perth Redstar FC.

The season to date has started well having won all our games but we have not played as well as we need to if we want to win the league.

We have conceded 6 goals in our last 3 games which is not ideal. We have been working hard on defensive play and I am confident we will see an improved performance in this area.

The players are aware that they must be mentally ready for each game and that there are no easy games irrespective of positions on the ladder as was highlighted last week against Fremantle.

It was a disastrous start last week and although we played the game with 10 men for 55 minutes, being a goal down twice and to snatch the winner with the last kick of the day could be a defining moment of the season for us.

Today's game will be our biggest test so far this season and we will need to play at our best to win.

I would also like to wish Gary, Stewart, John and Yash and their respective players all the best for today.
