# FIRST TEAM REPORT

Good afternoon to the players, supporters and officials of Perth Glory.

Welcome to John Walmsley and his staff. We last played our opponents early during the night series campaign. We managed to win 3-1 with two late goals, however Glory showed us then they possess a number of very technical, bright players who play incisive football which is great to watch. On that occasion we had just begun our pre-season campaign and in terms of fitness we are in a far better place now. This will be another tough fixture during which we will have to be at our best to secure the three points.

Last week we played Perth Redstar who were clinical with their finishing in the first half which led to a 3-0 half time score line. After they scored early we created a number of opportunities but failed to take any of them. This cost us dearly as in the 10 minutes before half time Redstar scored two very good goals to make the second half a massive task. We created additional chances in the second half but again failed to capitalise. The dressing room was a quiet place to be in after the match as the players reflected. Although we have lost two matches I know we have characters in the dressing room who will bounce back.

We have had a tough start to the season with the fixtures and are only 3 points behind what I regard will be our main rivals this year. There is still plenty to play for and we will do our best to bring the club 3 points this afternoon.

## UNDER 20s REPORT

A warm welcome to all supporters and to the Perth glory coaching staff to Frank Drago for what I am sure will be a great afternoon of football.

We go into this afternoon's game off the back of a fantastic 5-1 win and mature 2nd half performance against Ped Redstar in which seen us come from 1 down to score 5 unanswered second half goals. The game was really a game of 2 conflicting halves as Red star controlled much of the first half in which a super save from Casey Robertson preventing us going in 2 nil down at the break but Huge credit to our lads for their 2nd half performance as we made some changes at half time and we took control of the game and were clinical with our finishing. Hopefully, Saturday's result and performance will allow us to build momentum into our upcoming games.

Our challenge this week is to ensure our performance levels and work rate remain to a high standard , We have full respect for the brand of football and for the quality of players that Glory will bring to Saturdays game and know nothing less than 100% in how we approach the game both tactically and physically will be enough to claim to 3 points as Glory come into this game with a 100 % record.

As always making Frank Drago a fortress and a tough place for teams to play football will be an important factor in today's game. I am sure today's game will be a competitive and enjoyable game between 2 good sides for all those in attendance.

Best of Luck to both the 18s and first team coaching staff for there respective games.

Many thanks

**JOHN KEARNEY**

## UNDER 18s REPORT

A warm welcome to everyone today and to today's opponents Perth Glory.

Last week we lost our first game to Perth Redstar 3-2. I thought we were very unlucky not to get any points. I was proud of the players as they showed a lot of grit and determination in a very aggressive and competitive game.

I have added an additional night's training, so I expect improved fitness and sharpness from all players.

Today's game will be another stern test and we will need to play at our best to win.

I would also like to wish Gary, Stewart, John and Yash and their respective players all the best for today.
