PRESIDENT'S REPORT

I would like to extend a very warm welcome to the board and management of the Floreat Athena FC to Frank Drago Reserve in what is always a pulsating encounter.

It has been a month since our last league home game and it is fantastic to be back home in front of our people!

I would like to take this opportunity to congratulate our very own Rafa Fonseca on his selection for the U/12's WA State School boys team 2024 that will compete National Championships to be held right here in WA later in the year. Rafa is a Baysie boy through and through having played his entire career at Bayswater starting at the tender age of 4 years old. If Rafa is not playing for the club you can find him donating his time on Saturday match days doing the score board for the first team. This boy is a little legend and we are so very, very proud of him. Congratulations Rafa!

Another small acknowledgement for our junior NPL teams under the guidance of our esteemed TD Rodney Njirich all our team other than our 14's whom missed out by a whisker have achieved Div 1 for the second phase of the NPL Junior season. Our coaches and assistant coaches have done an amazing job and we are excited at the prospect of some of the future Baysie players to come through the ranks and play first team and beyond.

Lastly today we have our Baysie legends Daniel Naumovski, Luigi Mammone, Damir Kuduzovic and Dom Dattilo cooking up a storm for you, they have prepared a Pig and Lamb on the Spit and will be serving Pulled Pork and Lamb Rolls from approximately 1.30pm. So please make your way to the canteen and ask our friendly staff for your delicious roll. Thank you so much boys for volunteering your time it is very much appreciated

FIRST TEAM REPORT

Good afternoon to the players, supporters and officials of Floreat Athena.

I am looking forward to this afternoons encounter. Floreat have freshened up their squad with a number of youngsters but have also retained some experience from their previously successful sides. Their form in the league has been good and they currently sit above us in the table. Recently there has been some great rivalry between the two clubs and I am sure that will continue this afternoon.

Last week we got back into winning ways with a comfortable 3-0 win at Inglewood. We dominated the game and our concentration levels remained high. It was great to keep a clean sheet after the previous couple of weeks when we conceded late goals. These goals turned victories into a draw but ultimately they felt like defeats. The win last week will give the group renewed confidence moving forward and the challenge now is to put a run together so we can start climbing the table and put pressure on the leaders.

I hope you all enjoy todays game and we will do our best to win 3 points.

BAYSWATER MAZDA

UNDER 20s REPORT

A warm welcome to all supporters and to the Floreat Athena players and coaching staff to Frank Drago for what I am sure will be a great afternoon of football.

Today marks 4 weeks since we last played a home league game and it's fair to say as a collective group, we are looking forward to playing in front of the home crowd again. We go into this afternoon's game off the back of some very mixed results in dropping points at Western Knights in a game where we should have been out of sight at half time, losing to today's opponents in the cup in a game where we missed several chances and then a disastrous result away at Perth SC.

After the Perth game we have a very open chat with the group and together reinforced expectations and standards that are expected at Bayswater City Soccer club. Credit to the group as we responded beating Inglewood in very good performance which seen us get the winner late on through a great individual goal from Sam Badashile. With important players returning to the group after some injuries, Hopefully Saturday's result and performance will allow us to build momentum into our upcoming games.

Our challenge this week is to ensure our performance levels and work rate remain to a high standard, We have full respect for the brand of football and for the quality of players that Floreat will bring to Frank Drago and know nothing less than 100% in how we approach the game both tactically and physically will be enough to claim to 3 points.

As always ensuring Frank Drago remains a fortress and a tough place for teams to play football will be an important factor in today's game.

I am sure today's game will be a competitive and enjoyable game between 2 good sides for all those in attendance.

Best of Luck to both the Willie & Paul and Gary & Stewy for their respective games.

Many thanks

JOHN KEARNEY

UNDER 18s REPORT

A warm welcome to everyone today and to today's opponents Floreat Athena

Since my last match report, we have had some mixed results, and we find ourselves outside the top four and 6 points from the top

I believe we have played well in all games, and we have had missed opportunities which have cost us. The team is getting better with the way I like to play, and you can see we are improving and it was pleasing to win 3-0 last week away to Inglewood

I am very firm on our patterns of play and players must focus on this rather than play their own game. We have added an extra night's training and the players are enjoying this extra session

I would like to also mention how well 16-year-old Connor Walker has been performing. His attitude is excellent and his game against Inglewood was a man of the match performance

Today's game is a must win and we need to be at our best to take a needed 3 points if we want to win the league

I would also like to wish Gary, Stewart, John and Yash and their respective players all the best for today.
