## PRESIDENT'S REPORT

A very warm welcome to Heidi and her committee to Frank Drago Reserve for today's match, I would also like to welcome

all of our very loyal supporters than come to each and every match home and away. It is not lost on us that you make the effort to attend and we appreciate your support.

I would like to congratulate Willie Herd, Paul Lincoln and our under 18's players on making it to another Cup Final defeating our old foe Perth SC on penalties! Unfortunately for our 1st team it wasn't our night but for our club we have remained very consistent in the Cup reaching 6 semi finals in the last 10 year period. Today all our teams will be looking to kick on with the season and I wish them the best of luck.

I would like to take this opportunity to thank a few very special people in our club, to our man behind the bar Sergio Legni.

Sergio has been with our club for over 40 years, this is a number that is simply staggering in this day and age. For a individual to dedicate and sacrifice their lives for the benefit of others is remarkable. Many of you may not know but Sergio also enjoyed a great playing career for the club back in the 70's finally bringing his career to a close after two decades to join the club as a volunteer. Sergio now can be seen behind the bar at senior, junior NPL and masters games but during his down time on weekdays he is at the club almost every day cleaning the hall or receiving stock in order to keep our great club moving forward. Sergio you are a little and I do mean little champion and we love you!

The other superstar we have at our club is an unsung hero, she does all the things people do not see! From booking hall hire/functions, receiving club calls/emails, registration of every player and volunteer in the club, fixturing of all games, social media and the list goes on and on! This on top of running a household of 4 young adult children and a thriving fitness business with two locations that she runs and owns!

All this and still has a absolutely fantastic can do attitude and is always there to help or offer a encouraging word.

Lisa Gratrix what can I say, you are an absolute machine!! The club and I are so very lucky to have you and we appreciate everything you do for all of our players and members and the sacrifices you make to support our great club!

So to all our members, parents and players I encourage you if you see Sergio or Lisa to say hello and thank them for everything they do for our club.

Please enjoy the clubs hospitality and Forza Baysie..

## FIRST TEAM REPORT

We welcome Cockburn City Soccer Club supporters and coaching staff to Frank Drago Reserve. Thank you to all the sponsors, support staff and volunteers that contribute in the running of the club your work is valuable in sustaining the clubs longevity.

The team is looking forward to our clash today against Cockburn a team that will play football and bring a strong approach. The result against Armadale in the cup was disappointing during the week, we need to quickly shrug it off, learn from our mistakes and continue to play our football we are strong at.

I would like to congratulate the Under 18 Team for moving into the Final of the cup, congratulations to the players, Willie and Paul.

Regards

## UNDER 20s REPORT

Welcome to our opponents Cockburn City and all the spectators to Frank Drago today for today's game.

We are looking forward to a challenging game today for the U20s with only 3 points between the two sides. It has been a positive few weeks with this group for me, although results haven't fallen our way the football we have started to play and the control we have had for longer periods of games is a shift in the right direction for the team.

I would also like to take a moment to thank everyone behind the scenes at the club for all the hard work that goes on, they are so important to the club and its important this is recognised.

Good luck to the U18s and First team today.

Forza Baysie.

## UNDER 18s REPORT

A warm welcome to everyone at Bayswater City Soccer Club and today's opponent Cockburn City Soccer Club

Since my last report we have played Gwelup in the Cup , Perth Glory and Redstar in the league

We won our cup game 3-1 and now play Perth Soccer Club in the semi-final on Tuesday night. Making a cup final would be fantastic and the lads are aware of the opportunity they have

We drew 1 all with Perth Glory. It was a tight game and they received a penalty which for me was an incorrect decision and verified from the footage. The lads played well apart from a short period in the second half so for me I think we were unlucky not to have won the game

We won 2-0 away to Redtsar a game where we did not perform well but happy to come away with the three points

All the best to Gareth and Kevin
