PRESIDENT'S REPORT

A very warm welcome to Luke Pavlos and the board of Stirling Macedonia to Frank Drago Reserve, we are looking forward to another exciting day of football with three great games.

I would like to take this opportunity to highlight our growing female sector at the club lead by Sam Santoro and Dom Nardelli.

This year has seen our female sector explode and in actual fact we had to turn away some ladies as this year we did not have capabilities to house them all, but we are well on our way to increase our capacity for 2025 intake to take on more girls and ladies teams. On Sunday we celebrated a milestone moment for our club when our two ladies teams played one another in a competitive league match. It was just a magical day we two teams celebrate one club and we had some of our young girls there to witness this historic moment.

Two all the people involved in getting the club to this point, I would like to thank you all and I am excited of what the future hold for this sector of the club!

Today please get along to the canteen where our masterchefs have prepared a feast, we have Pulled Pork Burgers and Pork Belly Burnt Ends and I can personally tell you from the sample test we did during the week they are delicious.

To all of our loyal supporters, thank you so much for coming out each and every week to support your boys we all appreciate your support!

FIRST TEAM REPORT

Good afternoon to the players, supporters and officials of Stirling.

Stirling leapfrogged us last week into 4th position after a 3-1 victory against Perth SC. Stirling are under new leadership and the players will no doubt be looking to impress the new coaching team. Stirling possess a lot of quality and after our last encounter where we scored two late goals to win 2-0 they will be motivated to secure a victory today. We are ready for a tough encounter as we look to bounce back after last week's defeat.

Last week's dressing room was a disappointed one after our defeat to Kingsway. We felt we matched Kingsway over the 90 minutes and were looking competitive at 1-1. We conceded an unfortunate penalty and then a last minute goal which put an unfair slant on the scoreline. The week before we secured a 3-3 draw against Armadale after being behind three times. The players showed great character after a poor first half and nearly won at the end with a Chris Jackson header which forced a very good save from the opposing goalkeeper.

Last week was our first defeat in 7 league games. The players are determined to bounce back today with a victory against Stirling. Our injury list is growing so opportunities will be afforded to other squad players. We should get one or two back in the next week or two which will assist us greatly.

I hope you all enjoy today's game and we will do our best to win 3 points.

A warm welcome to all supporters and to the players and coaching staff to Frank Drago for what I am sure will be a great afternoon of football.

We go into this afternoon's game off the back of a good performance away at Olympic Kingsway – Overall it was very pleasing performance with the quality of our play and the teams work rate at a very high level. We should have killed the game off a lot earlier than we did which is an area we will have to improve going into this week's game. The results of late have coincided with the return of some key players to the group which has allowed us to field a relatively unchanged side for 3 weeks now. This has allowed the team to be consistent in our approach both in and out of possession.

Our challenge this week is to ensure our performance levels and work rate remain to a high standard , We have full respect for the Stirling side that we are playing against , There results in the last 2 rounds against top opposition shows how tough today's game will be. Going off our game in the earlier rounds We are completely aware that nothing less than 100% in how we approach the game both tactically and physically will be enough to claim to 3 points.

As always ensuring Frank Drago remains a fortress and a tough place for teams to play football will be an important factor in today's game.

I am sure today's game will be a competitive and enjoyable game between 2 good sides for all those in attendance.

Best of Luck to both the Willie & Paul and Gary & Stewy for their respective games.

UNDER 18s REPORT

A warm welcome to everyone today and to today's opponents Stirling Macedonia

Last week we continued our winning ways with a hard fought 2-1 win away against Kingsway. Our position on the ladder has improved and we are only one game and goal difference from top spot.

The lads have been terrific, the effort and commitment has been excellent, and we keep improving as a team.

Today's game is a must win game and we need to ensure that we are not complacent and put in another good performance.

I would also like to wish Gary, Stewart, John and Yash and their respective players all the best for today.
