# PRESIDENT REPORT

Good evening Ladies and Gentleman and welcome to the Annual Bayswater Ball 2022. We would like to welcome all our guests this evening as we wrap up 2022 in style here at the Perth Crown.

It's a proud night for me and my family as I have the privilege and honour to lead this great club as President. I can't begin to express how immensely proud I am to represent you all, those Presidents before me have set a tremendous example of dedication and work ethic and I will continue that good work in order to ensure our club achieves every milestone we set going forward.

Tonight is not just about presenting awards but also recognising the contributions from all our members regardless of how big or small. It is the total of these contributions that has allowed our coaching staff, playing group the ability to perform week in, week out, and perform they did! We thank the players and coaching staff for their commitment to our Club, and for always being prepared to look and strive for new challenges. For many years we are pleased to see Bayswater achieve continued success it so rightfully so given the tireless work of our people.

To our senior players, thank you for all your efforts in helping to make Bayswater to perform so well in the WA NPL, it was great to see our 18's win the State Cup for the fourth consecutive time. This is a remarkable feat of which has never been achieved before so well done boys

Special thanks to the Board Members of the Bayswater City Soccer Club in what was another busy year. Thank you for your tireless efforts and commitment to the Club that often goes unnoticed, also thanks to their partners and families for allowing them to devote so much time and effort to the Club that we love so much. Our partners are often the unsung heroes, so a big thank you to you also.

Of course, without the support of our sponsors our success could not have been possible. It is not easy these days to make financial commitments in an economic climate that we are currently experiencing. The fact that our sponsors believe in Bayswater enough to sponsor, is greatly appreciated. Thank you again and we hope to continue our relationship for many years to come.

Lastly to our fans and members, thank you for your continued support and patronage whether it be games or events organized by the Club. I hope you have enjoyed the Club's success and we look forward to seeing you all in 2022.

Once again a big thank you to everyone able to attend tonight's celebration. See you in 2023 and

FORZA BAYSIE

# OPERATIONS REPORT

A very warm welcome to all Players, Parents and Supporters.

Firstly to my entire Senior coaching staff, I have thoroughly enjoyed this season, through its highs and lows I don't think you could find a more dedicated and professional group of coaches. This year has been a year of progression to target with a hint of missed opportunities given the talent in our squad. But I am proud about the way all our coaches and players have gone about their business. It is truly a pleasure to come to training and game day and be able work with you gentlemen, your commitment and enthusiasm makes my job very easy and straight forward. Thank you!

To Gareth, John, Stephen James & Damiano thank you for all your efforts this year. This season has been a case of what may have been Cup Semi Final and in the run for top 4 till the

last day, I am very excited to get started next season to see what our future holds. Special mention to John and Stephen Walmsley who depart next year to join the Perth Glory NPL Senior Coaching staff, it has been a pleasure having you at the club and the doors will always be open. To our dedicated first team players you have been sensational! You have rolled up to each and every training session positive and ready to work which we as club can't ask any more. This year has been but a taste of what I believe we can achieve next year.

To our 20's coach Kevin Castle, I want to thank you for your professionalism and dedication to our players. Kevin it has not been a easy year given the circumstances, but every session was well planned and delivered professionally. Our 20's boys showed glimpses of what I believe will be the precursor of what promises to be a exciting 2023 season full of talented players.

Congratulations to our 18's Coaches Willie Herd & Paul Lincoln what an outstanding season once again! I want to thank you both for your commitment and passion to our club and our boys! Willie and Paul you gents have done an absolutely fabulous job. To go back to back in the State Cup personally and achieve four State Cups in a row for the club in just an outstanding effort. Along the way of course we have bleed in many fantastic young players, some if which will start next years preseason with the first team. So not only have you been successful but you have also given the club ultimate success and that is to produce players. We are so very proud of you both and our fantastic players! Well done

To Nicky Dyer and our Invincible over 45's team Wow! What an unbelievable season, our 45's legends overcame a lot of injuries and obstacles this season but as the boss says "The Cream always rises to the top" this title now makes it five in a row to become the first ever 45's team to accomplish such a feat! Not only did they win the league these legends also took out the Masters Cup with a convincing 4-0 victory over Subiaco last week, well done lads we are so proud of you!

I want to personally thank all the lads who support our club constantly, not only do these boys win games and trophies for our club but they are also a massive part of everything we do. They support our senior teams with their patronage as well as volunteer on game days not to mention we have many that coach at the club.

I want to thank each and every one of you for being great ambassadors for our club.

Lastly to our NPL Juniors, this season has been another fantastic season of moving our club forward

Special mention to our 16's coach Rodney Njirich who took out the Division 1 NPL Title to give our club it's first junior NPL title, also for the second year in a row this team was in the Cup Final only to miss out narrowly 1-0. This all conquering team also have 7 players that stepped up to play for under 18's and equip themselves very well! Rodney thank you on a tremendous job and we are very proud of you and the boys.

As you can appreciate it takes a tremendous effort on and off the field to ensure that the season goes according to plan and I am proud to say that we have the best team going around.

To my fellow committee members, thank you for your support and assistants throughout the year. To my team in Football Operations a big thanks you for all your hard work and dedication this year.

Big thank you to Lisa D'Orazio who has been working tirelessly behind the scenes, thank you for another great season

To all the staff behind the scenes from our Club Physio's David Moala, Harmony & Tabitha, all team managers, property personnel, gate staff & match day staff. I have a special mention to a new addition to the team Paul Alteri who assist with property at training and match days, Paul a big thank you as your help is very much appreciated. Thank you also to Joanne for making sure our coaches are always well feed on game days, your rolls are amazing! To Sergio thank you for dedicating your time this year to assist with the Junior NPL and masters game day it is always a pleasure to have you behind the bar and I know every loves having you there!

To all our supporters I would like to say a big thank you for coming week in week out to support our Club, it was particularly pleasing to see the number of juniors attending games and we look to improve our junior engagement in 2023

To my partner in crime Rocco Maio a massive thankyou for all your hard work, friendship and support. You have always been there to support and back me up no questions asked, I really appreciate it.

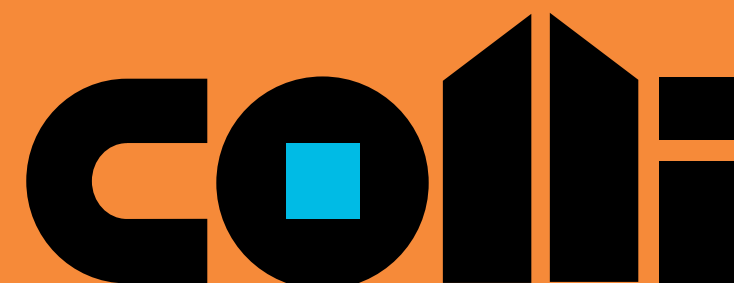

A very very special thank you must go to my second dad, the legend that is Francis Burns! Franny you have always been by my side and always someone I can talk to. Your love and passion for our sport is just amazing and I love having you part of our club and always appreciate our chats. Thank you!

Finally I would like to thank my beautiful wife Natalie along with my family Gabriele, Jacqueline, Valentina, Giordano and their respective partners for all your love and support. I couldn't do this without you. Love You!

SEMPRE FORZA BAYSIE

# FIRST TEAM REPORT

I'd like to welcome everyone to the Bayswater City Soccer Clubs annual ball for 2022, thank you to all our sponsors, supporters and volunteers that make this club what it is and what it will become. I would like to wish everyone a successful night to celebrate our club and the achievements of 2022.

This year has been filled with a multitude of both challenges and victories. Every year is different and we will be looking to continue to achieve more next year it's how this club is built which is an exciting quality, no matter what the climate has been we have persevered together as a club, we have come out stronger.

Although we may feel a little disappointed it's important to remember that we'll need to be every bit as good next year and we've learnt some valuable lessons. One of the great things about this game is that there's always room to improve, we can all work on doing something just a little better. When everyone does that I believe our performance becomes better and then our results can be amazing – and if there's one thing I know about each and every one of you it's that there isn't anyone who wouldn't give their all for the club.

On a personal note thank you to John Walmsley my assistant coach who will be leaving for Perth Glory as head coach of their Senior NPL team, your commitment, knowledge and passion for the club has been fantastic, in addition Stephen Walmsley will also be taking a position at Perth Glory to assist John, your contribution during your rehab challenges has been superb and its nice to see you come through the other end. Wish you all the best for both of your coaching futures.

I couldn't possibly end without saying "thank you" to our President and his committee and to the ladies & gentleman who make such a great job of making sure we don't all fade away from thirst or starvation! And the volunteers who help with all the equipment on training nights and match day, we really do appreciate all that you do for us – and we couldn't do without you. I also want to say "thanks" to all of you players across all the U18's, U20's and Senior team for their commitment to the club and a "thank you" to the coaching staff Willie, Paul, Kevin, our physio team Dave, Tabs and Harmony and the ever hardworking James who does a lot across all of our NPL teams. I apologise if I have missed anyone out as the club have amazing people to make this club what it is.

**GARETH NAVEN**

FROM THE

# UNDER 20s COACH

First, I would like to welcome everyone to Crown Towers tonight for this amazing event of celebration on the season past.

In what was a year of change and transition for the U20s I couldn't be prouder of this group of players to the way stood up to the challenges and competed week in and week out putting in 100% effort both on the pitch and the training ground, so for that to my players I say thank you.

The first half of the season was a challenging one for us with injuries and covid effecting big parts of it but credit to the boys that didn't stop us competing and trying to play our way, it can be challenging when the team is constantly changing but some of the results we picked up and the way we competed was a testament to the hard work the lads were putting in.

The second half of the season for me brought a lot more positives with what we were trying to do on the training ground coming out

more often on the pitch and I feel with a little more consistency in key areas of games we could have been even better. Some of the big moments for me include fighting from behind with 9 men to get a result against Cockburn, the comeback win against a Floreat side that were flying high in the league at the time and of course the unbelievable final moments away at Armadale that can match a finish to any game of football.

On a more personal note, I want to thank Ori, Rocco, Gareth, John, Stevie, Willie, Paul, James, Coby and everyone else involved at the club for the constant support and belief put in myself this season, I have loved every moment of the season and can't wait for the next.

Forza Baysie.

# SPONSORSHIP REPORT

To our Sponsors

Another fantastic year for the club!

I would like to thank each and everyone one of our sponsors for their generosity and ongoing support from large sponsors to sponsors whom donate items to the club in order for us to function. Your support year in year out is unbelievable and quite simply without you generous support our club would not be able to function.

I would also like to thank our Major Sponsors Nikki Green and the team at Trevors Carpets and Joe Letizia and the lads at Status for their generous and continued support. Your contributions have been pivotal in our clubs ongoing success and we can't thank you enough for your continued faith. I would also like to take time to thank a couple of special sponsors to Ric Fonseca and the team

at PWR for sponsorship and once again for the manufacturing of portable goals for our juniors and seniors. Ric thanks mate very much appreciated.

Lastly I would also like to make a special mention to Nick Dyer who continuously digs deep to assist the club wether it is painting the goal posts for painting the clubhouse. Nick I can't thank you enough and it's a pleasure to have you part of our club.

Looking Forward to 2023

## FROM THE UNDER 18s COACH

Hi and a warm welcome to everyone here tonight

Our season started in October 2021 with trials. We had several players wanting to join the club, so we went through the process and ended with a squad of 20 technically sound players

The season was successful, and it was always going to be difficult to emulate the success we had in 2021. Although we lost less games this season, we had to many drawn games to win the league

Runner Up in the Top 4 Cup and winning the State Cup was the reward for the hard work that was done by the club, coaching staff, and each player

The players deserve all the accolades. They improved throughout the season, and I hope that they continue to work on their game and that we see some of them representing the first team

We had some great games this season.

The Semi Final in the State Cup against Perth finished 1-1 and we won the penalty shootout 5-4

The Final win against Perth Glory 2-1 after coming from 1-0 down

The Semi Final in the Top 4 Cup win against Perth 3-0

I would also like to thank all the committee for their hard work and thank my assistant Paul Lincoln for all his support. I would also like to acknowledge Alen Boric, James Collins, Tabitha Rowe and Harmony Sutherland for their hard work

Thank you to all those involved with our great club, and I am looking forward to season 2023

**WILLIE HERD**

**UNDER 18s COACH**

## 2022 JUNIOR REPORTS

The Baysie Juniors had a very successful year this year both on and off the pitch.

The year started with Non NPL junior numbers increasing from approximately 160 in 2021 season to approximately 210 this season. New players from all over Perth joined our ranks showing that the name of Bayswater City Soccer Club provides a destination for players to go for good soccer development. This could have been higher if we had more coaches step up from the parents.

We recruited a number of parent coaches this year and provided them with the tools, knowledge and some group sessions to assist with their team development. I am please to state that most of these coaches will continue to coach next year for the Club. We have a number of coaches stepping up to start their C Class licence in the coming months. This will provide more depth and skills knowledge to our juniors.

I spent many a Tuesday, Thursday and Sunday walking amongst the teams. It was very pleasing to see the junior players develop their skills and most importantly having fun. Whilst there were some stand-out teams that hardly lost a game (U15s, u12s and u11s and u9s) there were a couple that did not perform as well in winning their games. For these teams, it was obvious that their spirit and enthusiasm was outstanding. I do not believe that we should judge our club solely on the number of games we win or the number of

trophies we collect, but on the Club ethos that the players and members carry along with the community spirit that we provide for our juniors.

A couple of special points and thanks to note

1. Special Congratulations to the U15s NPL Development squad that who came runner up in the Grand Final for the 2022 Cup. For a coach who had little football experience, Shaun kim did a great job with these boys. And you could see they loved being at the club and at training.
2. Special note that this was the first year in a while where the club was able to attract and develop NPL Development Squads for the ages 13, 15 and 16. I believe there will be a lot more next year
3. Special note and thanks to all the parents that assisted with the opening of the Emberson Junior kitchen
4. Special thanks to the committee of coaches and the senior board who assisted with all the daily tasks of helping the junior teams run

Overall well done to all and FORZA BAYSIE !!!!!
