# 2024 PRESIDENT REPORT

Good evening Ladies and Gentleman and welcome to the Annual Bayswater Ball 2024. We would like to welcome all our guests this evening as we wrap up the year in style here at the Westin.

It's a proud night for me and my family as I have the privilege and honour to once again lead this great club as President. I can't begin to express how immensely proud I am to represent you all.

Tonight, is not just about presenting awards but also recognising the contributions from all our members regardless of how big or small. It is the total of these contributions that has allowed our coaching staff, playing group the ability to perform week in, week out, and perform they did! We thank the players and coaching staff for their commitment to our Club, and for always being prepared to look and strive for new challenges. For many years we are pleased to see Bayswater achieve continued success it so rightfully so given the tireless work of our people.

To our senior players, thank you for all your efforts in helping Bayswater to perform so well in the WA NPL, congratulations to the 18's & 20's for reaching the Top 4 Finals Series unfortunately for both we didn't achieve the ultimate goal.

Special thanks to the Board Members of the Bayswater City Soccer Club in what was another busy year. Thank you for your tireless efforts and

commitment to the Club that often goes unnoticed, also thanks to their partners and families for allowing them to devote so much time and effort to the Club that we love so much. Our partners are often the unsung heroes, so a big thank you to you also.

Of course, without the support of our sponsors our success could not have been possible. It is not easy these days to make financial commitments in an economic climate that we are currently experiencing. The fact that our sponsors believe in Bayswater enough to sponsor, is greatly appreciated. Thank you again and we hope to continue our relationship for many years to come.

Lastly to our fans and members, thank you for your continued support and patronage whether it be games or events organized by the Club. I hope you have enjoyed the Club's success and we look forward to seeing you all in 2024.

Once again a big thank you to everyone able to attend tonight's celebration. See you in 2025 and

FORZA BAYSIE

# FOOTBALL OPERATIONS REPORT

A very warm welcome to all Players, Parents and Supporters.

Firstly to my entire Senior coaching staff, I have thoroughly enjoyed this season, through its highs and lows I don't think you could find a more dedicated and professional group of coaches. It is truly a pleasure to come to training and game day and be able work with you gentlemen, your commitment and enthusiasm makes my job very easy and straight forward. Thank you!

To Gary Williams, Stewy Moses & Jason Razmovski thank you for another great season together! We unfortunately did not achieve the targets we all hoped to but we did make strides forward and I believe we have set the foundations for 2025 to kick on and go onto bigger and better things.

To our 20's coaches John Kearney and Yash Pratap congratulations on an outstanding first year at the club. It is always pleasing to see Baysie legends return to the club and I am so proud to have our former club Captain leading the lines for our next generation of players. Although we fell short of a trophy this year what I saw was the boys grow game by game and we have a few boys in the 20's that I believe will be knocking on the door of our first team in 2025. Jk and Yash thank you for your dedication and enthusiasm and the Thursday night laughs whether that

be from Yash's Portuguese or Indian half 😊

Congratulations to our 18's Coaches Willie Herd & Paul Lincoln what an outstanding season once again! I want to thank you both for your commitment and passion to our club and our boys! Willie and Paul, you gents have had another amazing season and if it were not for some key players not being available at pivotal moments in the campaign, I believe this team was capable of winning the league. Thank you again for a brilliant season

To Nicky Dyer and our legendary over 45's team, what a fantastic season, our 45's legends they have done the Double again winning the league and the cup. But not only winning the league they did so undefeated which we all know regardless what level you play at this is a difficult task. Nick thank you for the amazing job you do for the club and your team you truly go over and beyond your role.

To Daniel Naumovski and the 35's what a great season, you have recruited well even coaxing back to the club a true Baysie Legend in Steve Burton! This year has marked a significant improvement in performance from last season and I know that 2025 will be bigger and better! Thank you for all that you do for our club and helping out with

Match Day events like the pig on the spit, its people like you that help build our club culture!

To our Women's teams a big thank you to coaches Sam Santoro and Domenic Nardelli for an absolutely outstanding job. We start last year with our first women's team and this year Dom brought on board a second team. This has long been an ambition of the club to grow our female sector and Sam and Dom have delivered and are well on the way to growing this area in 2025.

To our ladies thank you for a great season, it's been a pleasure to have you onboard and we look forward to welcoming you all back next season.

To Luke O'Neill, Jason Van Rooy & Nathan Mitchell what a fantastic job you boys have done.

Our first team finish second in the league and have gained back-to-back promotions which given this is a new team from 2024 to the club this

is an outstanding achievement so congratulations Luke and Jason on a brilliant job.

Our Amateur reserves lead by Nathan Mitchell won the league after narrowly missing out in 2024, Nathan thank you for an amazing job and we love having you part of the club.

Well done to all our Amateurs and bring on Div 2 next season as we look to get promoted again!

Finally I would like to thank my beautiful wife Natalie along with my family Gabriele, Jacquelina, Valentina, Giordano and their respective partners for all your love and support. I couldn't do this without you. Love You!

SEMPRE FORZA BAYSIE

## 2024 FIRST TEAM REPORT

Welcome to players, supporters, parents, sponsors and committee members for the Bayswater City Soccer Club presentation evening. The club have done us all proud by holding the event at one of the premier venues in Perth.

A massive thankyou to the support team at Bayswater City. There are too many people to mention individually but your work is greatly appreciated and ensures the smooth running of the club. Your work and efforts made our role (coaches) a lot easier and your work is greatly appreciated by all.

The 2024 season started brightly we recruited well and the squad took on a different shape to the one we finished with in 2023. We managed to reach the night series final against Perth Redstar. Our route to the final was quite memorable with the highlight being Lewis Italiano's goal from just outside his penalty area to win the semi-final v Kingsway 2-1. Ultimately, we lost 3-1 to Perth Redstar and were unsuccessful in winning silverware for the club for the first time in a number of years.

Onto the league season and again one of the highlights was the 5-1 home victory against Kingsway who went onto win the treble. It was a crazy 25-minute spell in the second half during which we scored 5 goals after going 1-0 down. It was a victory which gave us confidence moving forward and at that point we believed we could go on and have a great season.

When Stewy and I arrived at the club in June 2023 we were 2nd from bottom so I believe there was an improvement in 2024 in finishing fifth. That said we conceded late goals through the course of the season which cost us 10 points. Those 10 points would have made a huge difference with us finishing in 3rd place which puts a completely different complexion on the season. The target at the beginning of the season was

to finish in the top 3. Finishing outside the top 4 for a club of Bayswater stature is not good enough.

Whilst I have left the club I have done so with great memories. I left on good terms and still have many people who I consider as friends at the club. I will no doubt return to Bayswater many times during 2025 to cheer the team on and to say hello to the people I have worked with during the last 18 months.

I would like to thank a few people. Stewart Moses for the help, support and assistance provided to me as my assistant. We had many long chats during the season and I know he felt the disappointment as much as me with some of the results. He is a great person to have around the club and I wish him every success in his new role. Jason Ramovski, Ryan Ure and Dave Moai thank you for your commitment and friendship.

To the coaches, John, Yash, Willie and Paul I wish you continued success. The club have some great coaches at the club and I am sure with you at the club we will continue to produce good young players who will progress to the first team.

Lastly to Ori and Rocco. I consider myself to be very lucky having coached at Stirling, Kingsway and now Bayswater. Thank you for your support during 2024. I wish you all every success for 2025 and I look forward to seeing the club back among the silverware with Matty Sparrow at the helm

Please enjoy your evening and have a great night.

1ST TEAM COACH

## FROM THE **UNDER 20s** COACH

At the end of the 2024 season, we reflect on a campaign that saw Baywater City U 20s secure a commendable third-place finish in the NPL 20s league. This achievement not only highlights our competitive spirit and ability but also sets a solid foundation for the group going into 2025

**SEASON OVERVIEW:** As this was my first-year coaching, we were keen to hit the ground running with preseason commencing on the 21st of November. From the outset we were keen to get our ideas across to the group in what we expected in and out of possession, we tried various systems and ideas based on what we felt suited best the attributes of the players in which some successful some not but all with the intent of creating a team that played good football and were organized out of possession. To me the team showcased all these attributes throughout most of the season. As the weeks went by, I feel our tactical approach evolved, allowing us to adapt to various challenges throughout the season. Key players stepped up, and our depth was tested through the season with injuries to key players but the resilience of the group in the 2nd half of the season was a credit to all where we went on a 10-game unbeaten run

**KEY HIGHLIGHTS:** Strong Start: The season kicked off with a series of impressive performances, including a standout victory against Perth Glory and Red Star in Rounds 5 & 6. These games set the tone for our season ahead as both were rivals for the top 4 but also gave the group belief that they could beat anyone when they are switched on and stick to the game plan.

I feel our home ground at Frank Drago, became a fortress throughout the year as we failed to win all but 2 of our home games and the group always felt we could beat everyone at home. We boasted one of the best home records in the league, with memorable victories against Perth SC and Perth Glory being big highlights.

As for any 20s coach a huge part of the role is development and assisting players improve their knowledge and skills of the game whilst also trying to educate the guys on the discipline required to become a first team player at this football club. Several players emerged as key contributors throughout the season and I feel improved hugely from our first session together with Sadaat Mohammadi, Phil Radeski, Sarsan Ahmed, Milan Bulatovic all showing great consistency week in week out.

While our third-place finish is commendable, there are lessons to be learned. Consistency was a recurring theme, particularly in matches against lower-ranked teams where we dropped silly points which ultimately hindered our title challenge. Keeping key players and strengthening our squad depth will be pivotal in closing the gap next season to the teams above and around us.

A heartfelt thank you to everyone who contributed to this season's journey. A special shout-out to my assistant Yas Pratap who worked tirelessly in his efforts to make this season a success. His dedication to myself and the group should be commended. I am sure he has a big coaching career ahead of him.

A Thank you to the board and club management for their continued support for the group and for creating an environment where players and coaches can thrive.

Players: To every member of the squad, thank you for your hard work, resilience, and teamwork. Your commitment to myself and Yas has been commendable and made my first season as a coach a challenging one but also a very rewarding year.

I hope you all have a great evening! Cheers,

**JOHN KEARNEY**  
UNDER 20S COACH

## 2024 **AMATEURS** REPORT

The 2024 season marked another successful chapter for Bayswater City Amateurs, as the club celebrated back-to-back promotions and the reserves clinching their league title.

Building on the momentum from last year, we retained many key players while also adding new talent to strengthen the squad. Our season kicked off with an impressive cup victory against Division One rivals Southern Spirit, where we showcased our potential with a 3-1 win.

League performances in the early weeks were equally promising. Highlights included a stunning 7-3 home victory over Perth Royals, a commanding 6-2 away win against UWA, and a hard-fought 1-0 home win against promotion favorites Spearwood Dalmatinac.

The season concluded on a high note as we secured promotion to Division 2 with a gritty 2-1 away win against Wembley Downs. As the final

whistle blew, our celebrations began, marking a remarkable achievement for the club.

A special shoutout goes to Nathan and the reserve team for their exceptional season, culminating in a triumphant 3-0 win at home against Swan Valley on the final day, sealing their league title.

I want to extend my heartfelt thanks to the entire club—players, coaching staff, and supporters—for their dedication throughout the 2024 season. A particular acknowledgment goes to Jason Van Rooy and Nathan Mitchell for their invaluable support.

Here's to the challenges ahead in Division 2! Forza Bayswater!

**LUKE O'NEILL**  
AMATEURS COACH

## FROM THE **UNDER 18s** COACH

Hi and a warm welcome to everyone here tonight.

Our season started in November 2023 when we commenced trials.

We retained 8 players from the under 18s last season, added 7 from the under 16s and brought in 5 new players.

It was unfortunate for Yannick Zdravic who ruptured his ACL in round 4.

The squad that Paul and I put together we thought could win trophies, but it wasn't to be.

This season was one with a tad of disappointment which saw us finish fourth and reach the semi finals of the cup and not winning any trophies.

I believe in football you need a little bit of luck to win things weather it be a referees decision going your way or players availability.

My role is to educate the players to be better footballers and to be better people. I could not allow players who missed training the reward to play match days.

I made Ryan Njirich captain and Hidayat Rezai vice-captain two players who have come through our juniors and who I believe have big futures at the club.

Our Cup semi-final against Perth loss 3-2 was a good game to watch and I felt we were very unlucky that night as we created a lot of chances but could not score.

Our Top 4 elimination game loss 3-0 to Redstar was disappointing. We did not have the luxury of all players available that day. We started the game poorly and could not find a goal. The lads gave it their all, but it wasn't our day.

I must thank the players for their commitment to 3 nights a week training and their hard work through the season.

I would like to thank all the committee for their hard work and thank my assistant Paul Lincoln for all his support this season.

Thank you to all those involved with our great club.

**WILLIE HERD**  
UNDER 18S COACH

## 2024 **SPONSORSHIP** REPORT

To our Sponsors

Another fantastic year for the club!

I would like to thank each and everyone one of our sponsors for their generosity and ongoing support from large sponsors to sponsors whom donate items to the club in order for us to function. Your support year in year out is unbelievable and quite simply without you generous support our club would not be able to function.

I would also like to thank our Major Sponsors Joe Letizia and the lads at Status for their generous and continued support. Your contributions have been pivotal in our clubs ongoing success and we can't thank you enough for your continued faith. I would also like to take time to thank a couple of special sponsors to Ric Fonseca and the team at PWR for their support. Ric apart from coaching our 13's NPL also plays in our 35's Masters team and is assisting the club in some strategic planning for the junior sector in 2025

To our club legend John Kearney, JK thank you so much for getting on board this season and going over and beyond to assist the club! Your efforts and support are so very much appreciated

Special Thanks to Sam Santoro and his team at One Financial for his financial contribution and his unselfishness to look to assist the club financially in any way he can, Sam this doesn't go unnoticed!

A couple of really special mentions go to three of our senior players and one former senior player in Jason Mirco, Sammy Mitchinson, Anthony Bafobusha and David Heagney who apart from being outstanding individuals and players this year stuck their hand up to sponsor their club. I have to say this makes me so proud that our club is able to forge such strong connections with our members and players. Boys thank you so much!!

Lastly, I would also like to make a special mention to Nick Dyer who continuously digs deep to assist the club wether it is painting the goal posts for painting the clubhouse. Nick I can't thank you enough and it's a pleasure to have you part of our club.

Looking Forward to 2025

Forza Baysie

# 2024 WOMEN'S TEAM REPORT

What a wonderful year in Women's Football for the Bayswater City Soccer Club. History was made with 2024 having two Womens teams consisting of a combined 46 players, coached by myself, Sam Santoro, and Domenic Nardelli.

Football West continued with their grading system that was introduced in 2023 and both teams performing exceptionally well.

The ladies of the 2024 teams varied both in age, 15 to 52, and in skill levels, but the passion for the game and determination to improve was evident in all players. Whilst the season was challenging, our teams fought hard with commitment and heart that was commendable. The teams were solid and always had each other's backs on and off the field and as the season went on, not only did the football quality grow, but the

club camaraderie became stronger which was wonderful to see.

Numbers for the 2025 Season are looking very promising as Bayswater City S.C. is attracting new players and coaches from all over Perth. Watch this space because our amazing club is raising the bar on Women's Football, both socially and competitively, in a very positive way.

Overall, I wish to thank all of the 2024 Season Ladies for their support and to the friends and families that would come along to cheer us on.

Well done to all and FORZA BAYSIE !

**SAM SANTORO**  
WOMEN'S TEAM COACH

# 2024 OVER 35S REPORT

Welcome to everyone in attendance tonight and congratulations to all the clubs award winners.

Once again, our President Mr Oriano Colli and club staff have worked tirelessly this season and deserve all the appreciation and gratitude for their volunteered time and effort all year. Your efforts don't go unnoticed I hope you feel that on this special occasion.

Another special mention must go to our team Manager Domenic Dattilo. He basically did all the hard work and at times I questioned my purpose or need to be around. Thankyou Dom your time and effort is much more effective as a manager than a player.

This season we had high expectations for our side after making some strong signings in the summer and talk of commitment to training all season.

After a solid night series and pre-season we started strong and looked the real deal losing only 1 game in our first 9 outings.

Towards the end of round 1 the injuries and excuses started to creep in and so did the mixed results.

Our 4th placed finish was no better than we deserved however its my feeling that every player believed we undershot the mark.

In saying that the season was a success off the field bringing new players and old, back to the club which is something we look to build on in 2025.

Well done to all the Sunday teams particularly the 45's and Amateurs in their respective success this season and to Sam Santoro for his expansion to 2 women's teams which I'm sure will continue to grow in 2025.

Forza Baysie!!

# 2024 OVER 45S REPORT

Our stats were 18 games played 17 wins 1 draw and a plus 73 goal difference Our journey to the cup final consisted of 4 wins Scoring 15 goals and conceding only

4. Finishing off with a great win in the cup final with a convincing 3-1 Victory over MUMFC with goals from Victor Sikora 2 and Linc 1. Finally, a big thank you to my wife Alison and all of our partners for allowing us to play One More Year. Shivola ❤️

# 2024 JUNIOR REPORTS

The Baysie Juniors had a very successful and amazing year this year both on and off the pitch.

The year started with Non NPL junior numbers increasing from approximately 300 in 2023 season to approximately 507 this season. Our strategy to invite players to a Club that promotes junior development, provides well-structured trials and a pathway to future development of children, has not only increased registrations but built a family community on and off the pitch. Important to note that the Club also experienced great growth in female soccer participants. During the year we had four (4) Girls Teams (U9s, U10s, U12s and U14s) which all performed well during the season and more importantly had a great time.

The Junior Technical Director, Gianni Papalia also continued with last years coaching system to guide new coaches on the principals of coaching and suggested training programs. Further interest from coaches stepping up to start their C Class licence during the year has now provided more depth and skills knowledge to our juniors. Our coaches need to be commended on their efforts, resilience and dedication. They passed their knowledge onto the players whilst still providing a fun and competitive environment.

On and off the pitch, the Club Ethos was demonstrated by the players, coaches and parents. All teams showed an outstanding level of spirit and enthusiasm whilst playing with all their heart, supporting Bayswater City Soccer Club. All teams from Under 6s to our older junior development teams performed well and it was great to see that all teams remained competitive across all divisions.

It is great to also note the Under 11s Blue Team, coached by Chris Colton and Kristian Novatsis, have travelled to the Gold Coast to participate in the Australia's Gold Coast Premier Invitational. There are over 460 teams travelling to this event from all over Australia. They will be competing against approximately 60 teams during their stay.

It was a busy season with more games, several junior functions, merchandise days and so much more. All of this could not have been achieved without the support of the players and the parents. But a special mention is necessary for our newly formed Junior Committee who did so much with operating the Emberson Kitchen, assisting at Saturday League games, organising functions, attending to Saturday line marking, assisting with equipment maintenance and uniforms and generally assisting with game day operations. These volunteer helpers were all amazing in their efforts and the season would not have been a success without them... Thank you!!

A couple of special points and thanks to note

1. Special Congratulations to our Under 13s North Div 1 that won the League Championship for the season and both the Under 13s Div 1 (coach: Luke Nardelli) and Div 2 (coach: Fabio Miranda) teams that were successful in reaching the Top 4. Congratulations to Fabio's team that won the Top 4 Cup.
2. Congratulations to our other U11s Blue team (coached by Jason Magnaterra and Damian Regnault) that won the Red Star Cup and the Birighitti Cup Competition for their age group.
3. Congratulations to Christian Miranda who received the Chairmans Award man of the Year Award for the 2024 Season.
4. The announcement of our Head of Community & Development at Bayswater City Soccer Club, Jason Brown. It will be exciting to see the new programs and initiatives that Jason and the Board will bring to the Club and its participants next year. I look forward to working with Jason and his team during the 2025 Season.

Overall, I wish to say thank you to all the coaches, parents and players of the 2024 Season.

Well done to all and FORZA BAYSIE !!!!!
