## PRESIDENT'S REPORT

A very warm welcome to Alex Ricciardi and his board of management to Frank Drago.

Today promises to be another great battle and it is great to see the Fremantle name and another Italian club back in the top flight.

I would like to take this opportunity to congratulate our Under 14's & 15's NPL teams for reaching the Semi Finals of the Cuo.

The 15's coached by Sami had a great win against Redstar winning 3-2 and our 14's lead by our own Baysie legend Rodney Njirich defeated

Floreat Athena 1-0 win a cracking goal by Luca Pernet. Best of luck to them in the upcoming Semi Finals

Please enjoy our club hospitality and don't forget to purchase a delicious Continental Roll from our kitchen.

## FIRST TEAM REPORT

Good afternoon to the players, supporters and officials of Fremantle.

I have little doubt Fremantle will so far be looking back on their first season in the NPL with great pride. They had a great win against Kingsway last week to inflict the oppositions second defeat of the season. I also recall our match early in the season which we lost

2-0. We did not play well that day but credit must also go to the visitors who displayed more energy on the day and kept things tight with a clean sheet. I have no doubt they will be anticipating a similar outcome today.

Last weeks performance against Stirling was probably our worst performance since I returned to the club. We were all bitterly disappointed during and after the game. We need to make this ground a place that is feared by the opposition as it once was when this club were perennial winners. We have to work harder and be difficult to score against. We have conceded 10 goals in 3 games which is not acceptable if we want to be successful. The players have worked hard in training this week and will turn it around today against Fremantle.

At the time of writing it is anticipated Gordon Smith, Sam Dweh and Anthony Bafobusha will return to the squad today. That is great news but it is tempered with Cam Teece and Jason Mirco missing out through suspension. We welcome our players back and hope they have an injury free run until the end of the season.

Lets all hope for 9 points for our 3 teams. I wish JK and Willie well in their pursuit for 3 points.

A warm welcome to all supporters and to the players and coaching staff of Fremantle City to Frank Drago for what I am sure will be a great afternoon of football.

We go into this afternoon's game off the back of a frustrating draw against Strling lions- Overall it was very pleasing performance with the quality of our play at a very high level as we controlled the game for long periods. Our Achilles heel for most of the season has been not taking the multiple chances we create in a game and also ill-discipline raising its head again which from a coaching perspective is very frustrating. Doing the basics things on the football pitch can be as rewarding as the perceived magical parts of the game and a back to basics approach is what we have worked on in training this week.

Today offers the group the chance to put right what I felt was one of our worst performances of the year when we played Fremantle in Freo earlier this year, There was a lack of desire and work rate within the group that day which is unacceptable for this group and my expectation today is we correct those 2 elements of our game at a minimum . We have full respect for the Fremantle side that we are playing against as we know firsthand how dangerous they can be.

I am sure today's game will be a competitive and enjoyable game between 2 good sides for all those in attendance.

Best of Luck to both the Willie & Paul and Gary & Stewy for their respective games.

Many thanks.

## UNDER 18s REPORT

A warm welcome to everyone today and to today's opponents Fremantle City

Our midweek semi-final cup loss to Perth 3-1 last week was disappointing but I was proud of the performance from the lads. On another night, the chances we created go in and the outcome could have been different

Our 2-0 win against Stirling was a lacklustre performance and it was clear that the midweek game had taken its toll on some players, importantly the win keeps us on course for the race to win the league

Today's game is a must win game and in the first round we left it late to score the winner, so we need to ensure that we are not complacent and put in another good performance

I would also like to wish Gary, Stewart, John and Yash and their respective players all the best for today.
