PRESIDENT'S REPORT

A very warm welcome to Chris Bates and the board or Armadale SC along with one of our former coaches Alun Vernalis.

We are really looking forward to kicking off the Easter weekend with a Thursday night fixture that over the years has always delivered a exciting game full of goals.

I would like to take a moment to thank all of our hard working Junior volunteers that were involved in the two home fixtures for the Inaugural Perth Premier Invitational Cup

held at Frank Drago and Emberson Reserve. It was a massive effort by the junior volunteers, a special thanks to Kristian Novatsis for all his hard work and for make the event possible along with Sam Santoro for marking all the pitches along with all our canteen staff and helpers no matter how large or small. On behalf of the club I want to thank you all so much for taking the time to put back into your club and your kids!

I would also like to thank the senior Frank Drago staff for all their continued hard work this season , we have had a absolutely full start to the season with events, training and games almost every day

or night since the starts of February.

Most people would not be aware of the time spent by our dedicated people ensuring pitches are ready, playing kits are washed, changerooms are clean after every session, the kitchen is clean immaculately after very use!

To Rocco, Sergio, Lisa, Fabian and Wayne who spend countless hours at Frank Drago to ensure that al, users have a great experience everytime and huge thank you!

A big shout out must go to all our Junior Team lead by Sam Santoro along with Jason Brown, Jessica Catalano and Melissa Novatsis a huge thank you for all the time and effort you have put in and continue to sacrifice!

Our kids are so lucky to have you part of the club and I congratulate you on a job well done in getting all our teams ready for season 2025 .

Please enjoy our clubs hospitality and join us for a drink after the game

FIRST TEAM REPORT

This evening we give a warm welcome to our familiar opponents Armadale, they've proven they can beat anybody on their day and I expect them to be up there challenging for the league come the end of it, they always pose a threat going forward and have some real quality players all over the pitch so we know as a group we have to be at it again from the first whistle.

We've started off really well, maximum points in the league so far followed up by a midweek cup win is a credit to the players and the coaching team, week by week we are improving and making progress and that's all we can ask for at this stage of the season, the standards have been set and there's a real hunger and desire to go out and try to win every football match we go into.

I've always said this squad can achieve anything they want and it's about sticking to our principles and believing we can compete in every game and be in with a chance of challenging for the league come round 22.

UNDER 23s REPORT

Our discipline, our mentality and our identity has been tested in the games up until now and the challenge gets bigger in the coming weeks. The boys are prepared to do well and go all in to get the desired results. We'll be at home, and that gives us an advantage, it's essential we use that energy to our benefit. The key for us will be to dominate possession early, control the tempo, and get the first goal. If we do that, we'll be in a good position to dictate how the game folds.

I've seen the progress we've made since the start of the season, and now it's time to prove it on the pitch. the upcoming games will test our consistency and our ability to perform when it counts. We will take each game as it comes, stay hungry, and push ourselves to continue growing as a team.

Thank you,

UNDER 18s REPORT

A warm welcome to everyone at Bayswater City Soccer Club and today's opponents Armadale SC. Since my last match day report we have lost 2-0 to Redstar, a good away win 3-1 against the Western Knights and a 7-2 cup win at home against Balga SC.

In all games I have been pleased with the effort of the lads although we still have moments in games that we need to improve on like less turnovers, making the right decision in front of goals and eliminating defensive errors.

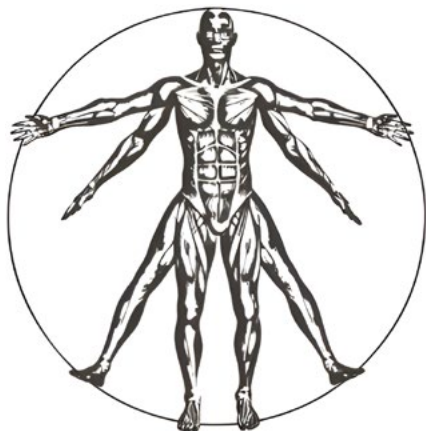

In terms of results, it has been a great start to the season and credit to all the players who have put in a lot of hard work.

Today we face a team who have only won one league game so we cannot underestimate them and must start well and make the most of the opportunities that we create.

I would also like to wish Matt, John, Matt, Yash, Sam and their respective players all the best for season.
