FIRST TEAM REPORT

A warm welcome to everybody associated with Bayswater, it's been a very pleasing few weeks where we've come up against some very difficult opponents, getting through the 3 tough away games unbeaten is a credit to everyone who's been involved in it.

A point and a clean sheet away to the champions was a superb result, we should of had a penalty in the dying minutes of the game but overall a point a piece was probably the right outcome.

Very disappointing to come away from glory with only a point again, to concede in the dying minutes is always a blow mentally but the boys picked themselves up and got a very valuable 3 points away at Perth this time, as we know going to dorrien gardens is no easy place to pick up points, another clean sheet away from home was really important for us as a group.

We are back at home today looking to continue our good form against very strong opponents, they have had mixed results of late so they will be looking to bounce back themselves, I'm sure it will be an entertaining game for the supporters knowing 3pts will keep us top of the league which is a massive incentive for us but as we know no game is easy in this league especially against a former club of mine where I made some good memories & friends whilst I was there.

UNDER 23s REPORT

As we reach the halfway point of the season, this match is a crucial test of our progress and resilience. The squad has been working hard in training, and we're fully aware of the challenges our opponents will present. Every point matters at this stage, and consistency will be key in determining if we finish the season with a trophy.

We've had a mix of performances in recent weeks, some positive results, and some learning moments. The group is motivated, the energy has been good amongst the group, and players are stepping up in terms of leadership and accountability.

We're looking to stick to our principles: play with intensity, stay organised, and take our chances when they come. Mid-season fixtures are often about mentality, and I believe we're in the right frame of mind to deliver a strong performance.

We respect our opponents, but our focus is firmly on what we can control. We'll need to be sharp from the first whistle and show the character that's been building in this team since the start.

Let's take another step forward.

Thank you. Kind Regards,

YASH PRATAP

UNDER 18s REPORT

A warm welcome to everyone at Bayswater City Soccer Club and today's opponents Fremantle City. Since my last match report, we have had three away games losing to Kingsway and winning against Perth Glory and Perth SC.

The lads have performed at a very high level in the past few weeks, and it has been a pleasure to watch. They have pushed us to a new level and hopefully we can continue with our progress.

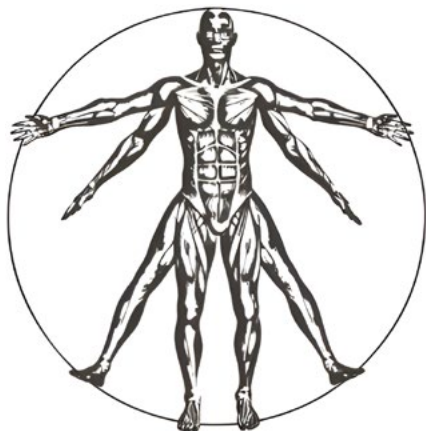

I wish the very best to Hikmat Safai who has decided to depart the club last week.

We cannot underestimate Fremantle today and must start well and make the most of the opportunities that we create.

I would also like to wish Matt, John, Matt, Yash, Sam and their respective players all the best for today's game.
