## FIRST TEAM REPORT

Good evening to everyone as we welcome Floreat to Frank Drago tonight,

It's been a superb 3 weeks for us in terms of results and performances, picking up maximum points from the games against Fremantle at home Stirling and Sorrento away, keeping two clean sheets along the way is a credit to the players out there week in week out, the shape structure and organisation has been really impressive.

But as we all know we are over half way now with 10 games remaining, so the concentration, focus and the standards we have now set needs to be as high as possible if we are to achieve our goal which the position we find ourselves in now is ultimately to win the league.

Tonight's game should be another cracker under the lights where we've had some fantastic results of late at home but knowing Floreat are fighting for survival it won't be an easy game for us but we will be prepared and ready for anything they throw at us, it's another opportunity to extend our lead at the top knowing other teams play a day later than us.

## UNDER 23s REPORT

Mid-season is often a turning point. It's a chance to reset, to re-evaluate, and to push forward with renewed purpose. We've had good performances, and we've had moments where we could've done better but we're still very much in the fight. The league table is tight, and everything we set out to achieve at the beginning of the year is still within reach.

This period is crucial. It's where seasons are shaped. Every game, every challenge, every training session matters. The players know what's at stake, and they're committed to pushing forward with hunger and purpose.

The Team is looking to show character on the pitch, in the dressing room, and respond to last week. We're working every day to improve. We're demanding more from ourselves in training, in matches, and in the way we carry the badge.

Thank you. Kkind Regards,

## UNDER 18s REPORT

A warm welcome to everyone at Bayswater City Soccer Club and today's opponents Floreat Athena FC. Since my last match report, we have won at home to Fremantle City FC and away to Stirling Macedonia FC and Sorrento FC. We also won our quarter final of the cup against Fremantle City FC and have booked a semifinal against Stirling Macedonia FC.

The lads have performed at a very high level, and we have had some tough games so to come away with wins has been fantastic. The opening 30 minutes against Sorrento last week was as good as we have played all year in terms of patterns of play.

The challenge for us is that each team wants to beat the league leaders so games will get harder. The last time we met Floreat Athena we had an away win 3-0 so we hope to continue our good form today and secure another 3 points.

I would also like to wish Matt, John, Matt, Yash, Sam and their respective players all the best for today's game.
