FIRST TEAM REPORT

Good afternoon everyone,

It's been a relatively pleasing couple of weeks. We secured a hard-fought 2-0 win against Floreat, and I thought we were very good value for the result. We knew it would be a tough challenge in horrendous weather conditions, but the boys put in a professional performance to secure the three points.

Following that, we travelled to face an in-form Red Star side, which proved difficult at times. I felt we never really got going—particularly in attack, where we usually create plenty of chances. That said, we still managed to take the lead, but unfortunately, we couldn't hold on, conceding a last-gasp equaliser.

Although it was disappointing to concede so late, that point could prove vital come the end of the season.

Today, we host a strong Western Knights side.

Over the years, our matches against them have always delivered in terms of entertainment, and we're expecting another tough contest. Beating them 3-0 earlier in the season was arguably one of our best performances so far, and a real benchmark for the level we know we can reach.

With just eight games remaining, every match becomes more and more important. The standards we've been setting ourselves week in, week out must continue if we want to achieve our goals this season..

UNDER 23s REPORT

Today's fixture against Western Knights will showcase both the progress we've made as a group and the areas that still require sharpening as we push into the second half of the season.

We've shown patches of strong play over recent weeks, and while results have varied, our underlying performance metrics are trending positively. This match presents a chance to translate that into a complete 90-minute performance.

This match is about execution, discipline, and mentality. We've prepared well, and now it's about delivering on the pitch. Every game from here shapes our season, and we must treat it with the importance it deserves. Let's stay focused, stay together, and give everything for the result.

Thankyou,

YASH PRATAP

UNDER 18s REPORT

A warm welcome to everyone at Bayswater City Soccer Club and today's opponents Western Knights SC. Last week we had a top of the league clash against Redstar and lost 2-1. Although I am disappointed with the loss, I thought the lads put a lot of effort into the game.

We also had good opportunities to seal the win, but we needed to be better in the final third.

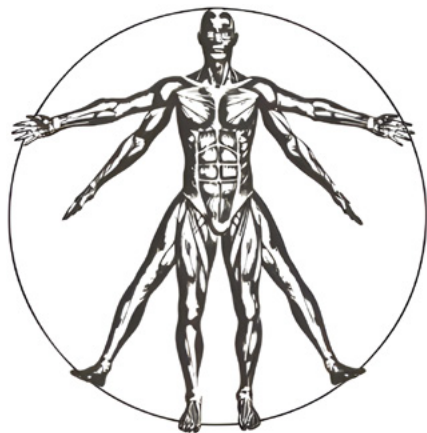

If we are to be challenging for honours come the finals, we need to improve our decision making across the park when at times we lack concentration defending and we are not clinical in the front third.

The last time we met Western Knights we had an away win 3-1 so we hope to secure another 3 points today.

I would also like to wish both Matts, Yash, Sam and their respective players all the best for today's game.
