PRESIDENT'S REPORT

Hello and a very warm welcome to Steve Nelkovski and his team to Frank Drago Reserve!

Tonight is a fantastic occasion for our football club and for WA football as we see two of the best teams in the competition go head to head in a game that could prove pivotal to the league title outcome.

Our last few weeks as a senior club have been amazing with our three senior teams winning all 3 games on a Saturday for three consecutive weeks, the outstanding feat this is the second time our

teams have completed this feat this season. I would like to congratulate and thank our coaches, players and support staff for all their hard work throughout this season and your rewards are well earned!

Tonight we welcome to the club some of our junior teams that are not training tonight as they walk around the ground in our junior parade before the first team game. I would like to take this opportunity to thank all of our junior coaches, managers and club volunteers along with our hard working junior committee for all their hard work to make this season such a great success thus far. We are so proud of all of you and words can't express the thanks and gratitude that we wish you all.

Please enjoy the weekend festivities and I look forward to catching up in the club house after the game

FIRST TEAM REPORT

Good evening everyone, and a warm welcome to Kingsway, who we host tonight.

It's been a tremendous few weeks for us—not just in terms of results, but in the overall performances as well. The boys have been working incredibly hard, both individually and collectively as a group. It takes me back to our very first training session back in December. From that moment, I saw a group that had everything: experience, leadership, and a strong mix of different qualities. I told them then—if they could add consistent work rate, desire, commitment, and the hunger to be the very best they can be—there's no doubt we'd have a successful season.

So far, they've delivered exactly that, week in and week out.

Our recent wins are a testament to that effort. The 3-0 result at home against Knights, followed by back-to-back 4-0 away victories against Armadale and Balcatta, were all potential banana skins. But the boys approached each of those games with professionalism, focus, and maturity. Our concentration levels across the full 95 minutes have been outstanding, and it's showing in the quality of our performances.

Tonight, we face another huge challenge in a top-of-the-table clash against reigning champions Kingsway. Both teams come into this game in excellent form, and there's no doubt they have quality across the pitch—players who can punish you if you switch off for even a moment.

It promises to be a fantastic contest, with both sides knowing that three points tonight could prove vital in the final run-in.

Let's enjoy the match, and thank you all for your continued support.

UNDER 23s REPORT

We've reached a vital point in the season. towards the end of the campaign, every match now carries added weight especially against opponents like Kingsway who are fighting for similar objectives. This game presents an opportunity for us to solidify our position, build momentum, and make a statement about our intentions for the last few games of the season. Last few games of the season are often where seasons are made or broken, not just by big performances, but by consistency.

We have an opportunity to move forward both in the table and in our performance identity. The group is ready to reflect their desire to go forward and achieve something this season.

We trust our preparation. We trust each other. The team will be looking forward to the fixture.

Thank you,

Kind Regards,

YASH PRATAP

UNDER 18s REPORT

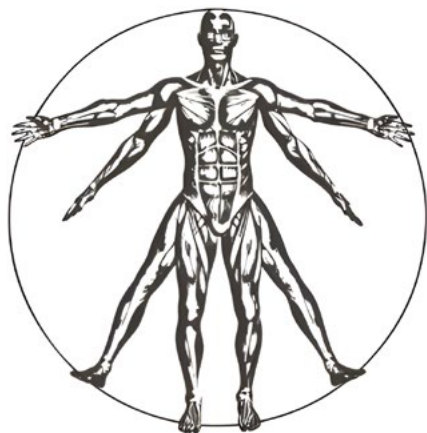

A warm welcome to everyone at Bayswater City Soccer Club and today's opponents Olympic Kingsway SC. The past 3 weeks we have had 3 wins. The team continues to improve, and we sit second on the ladder. Last week's game against Balcatta the players showed great character and determination, after losing a player early in the second half, then going 1-0 down, to dig deep and to win 2-1 was a great result. The last time we met Olympic Kingsway we had an away loss 2-1 so we know we must be at our best to get 3 points today.

I would also like to wish both Matts, Yash, Sam and their respective players all the best for today's game.
