JASON MIRCO

A DECADE OF DEDICATION TO BAYSWATER CITY

When you think of what it means to be a Bayswater City player, one name stands out - Jason Mirco. Over the past 10 years, Jason has embodied the heart, passion, and loyalty that define our club.

Joining Bayswater City in 2016, Jason made an immediate impact. In his very first season, he claimed the coveted Rocco D'Orazio Medal, along with Players' Player of the Year and the Golden Boot - a rare and remarkable treble that set the tone for what was to come.

In 2017, Jason was a driving force behind one of the most successful years in our history, helping lead the team to victory in the Night Series Cup, NPL League Championship, and Top 4 Cup. His leadership, work ethic, and unwavering commitment on and off the pitch earned him the nickname "Mr Baysie" - and for good reason.

Jason is more than a player; he's a club legend. Loved and respected by teammates, coaches, supporters, and the wider football community, he has worn our colours with pride, representing everything we stand for - loyalty, honesty, and a deep love for the game.

From his first whistle to his latest goal, Jason has been a constant source of inspiration. On behalf of everyone at Bayswater City Soccer Club, we thank you, Jason, for your decade of service, your leadership, and your unwavering devotion to the black and blue. We love you and you will forever be Mr Baysie!

Once a Baysie Boy, always a Baysie Boy ❤️💙

JOHN (GIOVANNI) BIRIGHITTI

12/6/45 - 19/01/18

John Birighitti came to the then named Bayswater United Soccer Club in 1969, where the club had been newly promoted to 2nd Division, from 3rd Division the previous season. John joined the club in the role of Director of Coaching to guide the development of Football at the club, and as coach of the 1st team.

The club's aim that year was to achieve promotion into the WA State Premier League. John's strategy to achieve this objective for the club was through junior player development, and by season's end Bayswater had finished fourth.

During the course of the 1969 season five players from the 1st team were selected to represent the WA State U18's at a tournament hosted in Thailand. Even though Bayswater was a 2nd Division club, the talent of the side did not go unnoticed even though they were competing against 1st Division players for selection.

At the conclusion of the 1970 season, Bayswater United finished the league as champions and were promoted the following season to the 1st Division. A tremendous achievement from a young squad in which the average age of the side was a mere 21 years old, which consisted of five players being just 18 years old.

Once again in 1971, with a squad a lot younger than most, Bayswater finished the season in 2nd place, and in addition placed in the top 4, of the Cup Winner's Cup. The following year Bayswater again featured predominantly in the WA State team with 8 players being selected, who were to compete against English 1st Division side the Wolverhampton Wanderers. That same year whilst coach of the 1st team, John was named the winner of the WA Coaches Federation "Coach of the Year" award. John again achieved this accolade again the following year.

The 1972 season saw Bayswater United win the Ampol Night Series, finish 2nd in the home away season, and participate in a season end tour of Queensland.

In 2004 John's contributions were honoured, when he became a proud life member of the Bayswater City Soccer Club.

Since retiring from active coaching John continued to follow football in WA, from being a Perth Glory inaugural member, to fond memories of watching both his sons play at Bayswater. In recent years and some 46 years later (albeit in the grandstand) the Birighitti family tradition continued as John enjoyed watching his grandsons play in the U18's and U20's for the black and blue of Bayswater.

John also enjoyed watching many of his former juniors he coached some 40 plus years ago conduct their own training sessions as coaches themselves. Even up to a couple of years ago, John still managed a game himself on Wednesday nights with the remaining "Entertainers" squad.

In John's own words, "Football has given me a lot, I have come to know many people and make many friends. Around the world I have been in many grand and beautiful stadiums, during games and periods when football history was being created. Being part of this football family in WA is an honour and gives me great personal pleasure."

FIRST TEAM REPORT

Good afternoon and welcome back to Frank Drago Reserve for our final home game of the league season — and what a way to finish it, being crowned champions in front of our supporters after the final whistle.

From the very first whistle back in March, this group has been on an incredible journey. Week in, week out, the players have given absolutely everything. Their character, resilience, and hunger to improve has been outstanding, and they've consistently performed to the highest level they possibly can. I truly couldn't have asked for more from them.

At the halfway point of the season, I said "Dare to dream." With every performance, that dream grew stronger — and today, we stand here with the title secured. It's a special moment, and one that reflects the effort of everyone involved.

Personally, it's been an amazing first season in charge. I've been lucky to work alongside my assistant Matt Lenzo, who's been first class in his support and commitment throughout. I also want to thank the club for their trust and backing from day one — Ori, Rocco, Sergio, Stewy, and every single person working behind the scenes. The work they do often goes unnoticed, but it's absolutely vital and hugely appreciated.

A very special mention goes to Jason Mirco, who plays his final home game for the club today. After 10 years of incredible service, he hangs up the boots as an absolute legend of the club. Jason has been a leader, a role model, and a true professional throughout his time here. He embodies everything this club stands for, and we're all proud to have shared this journey with him. He finishes as a champion — and that's exactly what he is.

To our supporters — thank you. Your belief, passion, and presence home and away has meant the world to the team. We hope we've made you proud.

Enjoy the occasion today. Let's celebrate what's been a fantastic season — and look forward to the next chapter, as we prepare to represent WA in the inaugural Australian Championship this October.

UNDER 23s REPORT

As we approach our final match of the season, there's no greater motivation than ending it at home, in front of the people of the club in a derby that means so much to the club and the players.

It's about pride, identity, and leaving everything on the pitch.

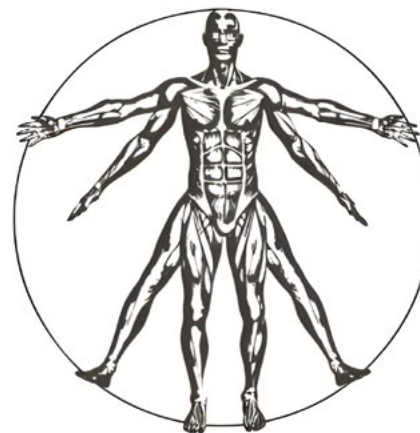

The players know what's at stake. A derby never needs extra words – the intensity, the emotion, and the energy come naturally.

We expect a high-tempo match. Perth will bring aggression and intent, but we're prepared for that. Our goal is to dictate the game, not just react to it.

We are looking to end strong, win the derby, and leave the pitch with no regrets.

UNDER 18s REPORT

A warm welcome to everyone at Bayswater City Soccer Club and today's opponents Perth SC. Since my last report we had a good 5-1 win at home to Floreat and a 6-3 away win at Fremantle. I was pleased with the results but a tad disappointed with conceding silly goals especially against Fremantle. With this being our last league game today we may still have an outside chance of finishing on top. Having already made the State Cup Final and a Top 4 Cup to play in the players have done a great job all season. We have had to cope with players taking time out with trips overseas and missing training sessions due to sickness which has left us light on squad numbers some weeks. But this has given me the opportunity to play some of our promising under 16 players who have responded and held a good account of themselves. The last time we met Perth SC we had an away win 3-0, they are coming off a good win last week so we expect a hard game, and we will need to be at our best to secure a win. Finally, I would like to thank the club again for their support this year and a special thanks to my assistant Paul Lincoln for all his support. I would also like to wish both Matts, Yash, Sam and their respective players all the best for today's game.
